Behind the Brief: Navigating Expert Evidence in Construction Disputes

As part of the Berlin Dispute Resolution Days 2025

We are delighted to invite you to our lunchtime event "Behind the Brief: Navigating Expert Evidence in Construction Disputes", hosted by ArbitralWomen, Young ArbitralWomen Practitioners and Herbert Smith Freehills Kramer as part of the Berlin Dispute Resolution Days 2025.

Set in the elegant surroundings of the Waldorf Astoria Berlin, this event offers a space for meaningful exchange and networking. A key part of the programme will be a panel discussion featuring seasoned arbitration practitioners and technical experts who will share their insights on the strategic use of expert evidence in construction disputes - from appointment to cross-examination. The conversation continues over a light buffet lunch, providing the opportunity to connect in a relaxed and collegial setting.

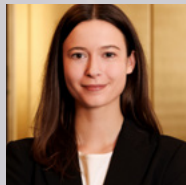

We look forward to welcoming you and exchanging perspectives.
