Herbert Smith Freehills LLP is pleased to announce the second edition of our event series: “**Late Night Stories in Arbitration**”. In this unique arbitration series, we shine a spotlight on the **PEOPLE** behind the practice who play a pivotal role in the field.

In “**Late Night Stories in Arbitration**” we explore the professional and personal lives of prominent arbitration practitioners and academics. Our guests share the most exciting, challenging and interesting moments of their arbitration careers.

For this issue, we are honored to welcome two distinguished guests:

Prof. Herbert Kronke

Permanent Arbitrator and Chairman of Chamber Three of the Iran-United States Claims Tribunal

Prof. Maria Chiara Malaguti

President of UNIDROIT - International Institute for the Unification of Private Law

This event also marks the launch of the second edition of **Recognition and Enforcement of Foreign Arbitral Awards: A Global Commentary on the New York Convention (2nd Ed, Kluwer Law International 2025)**. This second edition of the book was edited by Prof. Herbert Kronke, Dr. Patricia Nacimiento, Dr. Dirk Otto and Nicola Christine Port. The project involved 15 authors from different practices and jurisdictions and represents the most up-to-date article-by-article commentary on the New York Convention available on the market.
