

PRESENTS

YSIAC-YAWP Delhi Event: 7 Questions with the SIAC President & Arbitrivia Night

The evening will begin with a Fireside Chat featuring Ms Lucy Reed, President of the SIAC Court of Arbitration. In this segment, Ms Reed will respond to seven thought-provoking questions covering the latest SIAC Rules, her professional journey in arbitration, and other issues of interest to the arbitration community.

Following the discussion, the programme will segue into Arbitrivia Night — an interactive, arbitration-themed quiz. Participants will form teams and compete by answering questions drawn from the 7th Edition of the SIAC Rules, as well as notable developments in Indian and international arbitration.

The quiz is designed to be both intellectually stimulating and enjoyable, fostering knowledge-sharing, collaboration, and networking in a relaxed and engaging atmosphere.
