"Senior Associate Lucy Mckenzie was an indispensable lawyer for the Ashurst legal team – the dedication and delivery of legal services by Lucy was flawless and underlined the overall success of expert testimony – commended for her assistance."

**LEGAL 500 UK 2023,
INTERNATIONAL
ARBITRATION**

Lucy McKenzie

Senior Associate – (Admitted in Australia)

Lucy is a Senior Associate in our London office and has over five years post qualification experience. Her main focus is on the resolution of disputes arising in construction and infrastructure projects and energy projects. Lucy has experience acting in domestic and international arbitrations, adjudications and mediations.

Lucy's relevant experience includes advising:

- **A contractor** under a public private partnership arrangement for the provision of waste services in the UK in respect of multiple adjudications against the Authority and sub-contractors.
- **A UK council body** in respect of extension of time claims made by a contractor in the construction of a railway station in the UK.
- **A principal** in respect of an adjudication against its design and build contractor concerning the Southern Expressway Duplication Project in South Australia.
- **A special purpose vehicle** in an arbitration based on the IChem E Rules concerning the design, construction and operation of an energy from waste plant in the UK.
- **An employer** of a wood fuel chip fired power plant in the UK in respect of LCIA Arbitration proceedings concerning payment claims under an EPC Contract.
- **A contractor** in respect of disputes concerning construction claims relating to the Channel Tunnel.
- **An operations and maintenance subcontractor** of an offshore wind farm in respect of a contractual dispute concerning payment for services and termination rights.
- **A principle** in respect of an ICC international arbitration concerning the design, construction and operation of a concentrated solar power plant in Morocco.
- **An international oil and gas company** in ICSID arbitration proceedings against the Government of Bangladesh.
- **An LNG producer** in a PCA arbitration conducted under the UNCITRAL Rules concerning liability for non-delivered LNG cargoes to the value of USD\$500m.
