

**SUMMARY**

---

I am a highly skilled international lawyer with ten years of experience in commercial law, arbitration, and investment disputes at top-ranked international law firms. I have represented both investors and host state governments in high-value disputes across a wide range of industries, including oil and gas, renewable energy, mining, banking, telecommunications, water and sewerage, health care, and pharmaceuticals. I am regularly called upon to answer complex commercial legal questions and provide technically accurate, creative, and compelling legal solutions.
