Emelie Jivegård specialises in commercial arbitration and litigation as well as restructuring and insolvency related matters and matters relating to shipping and transport. She has acted as counsel in a number of arbitrations and court cases. Her experience includes disputes in a number of different areas, such as cooperation agreements, sale and purchase agreements, transport related claims, claw back claims, pledge enforcements and personal liability for directors. Emelie has also acted as administrative secretary in SCC as well as ad hoc cases.
