## Background

Dimple is a Director in Interpath Advisory's Valuation Services practice. She has over 10 years' experience in performing valuations of businesses and equity for expert witness, restructuring, financial reporting and tax purposes.

Prior to joining Interpath Advisory, Dimple worked in the forensic accounting team at BDO LLP before transferring to the valuations team. She has been involved in a wide range of forensic accounting investigations including loss of profits claims, expert determinations and professional negligence claims.

Dimple has a broad range of industry valuation experience including, among others, the valuation of telecommunication companies, oil and gas companies, aviation companies, power plants, financial services companies and restaurants.

Dimple is a Fellow of the Institute of Chartered Accountants in England and Wales and holds a BSc Hons in Economics from University College London.

## Representative experience

Dimple's representative experience includes:

- The valuation of a Zambian telecommunications company for the purposes of an Expert Report for the Zambian High Court.
- The valuation of a company engaged in the mining of cryptocurrency for the purposes of an Expert Report under the rules of the Arbitration Institute of the Stockholm Chamber of Commerce.
- The quantification of damages suffered by the decline in the world's leading telecommunications company's share price following the launch of a mobile service by an additional provider in Qatar.
- Expert witness valuation services in relation to a portfolio of assets in Georgia including a metallurgical and cement plant in the Caucasus region.
- Expert valuation and forensic accounting advice for a listed Russian company.
- Expert valuation of the shares in a company that provides aircraft chartering and flight management services, principally in Algeria.
- Expert witness valuation of intellectual property owned by a generic pharmaceutical manufacturer and marketer as part of a HMRC investigation.
- Expert valuation services in relation to more than ten claims by foreign investors under the Energy Charter Treaty against a European state (ICSID).
- Valuation of a European based engineering business in relation to an arbitration concerning an acquisition price dispute.
- The valuation of a leading UK retailer for the purposes of business restructuring.
- A claim in an ICSID Arbitration which required a valuation of an aluminium smelter and power plant project in Indonesia at the end of a concession agreement.
- Assisting a company in its submissions to two experts in respect of the applicability of discounts when valuing a non-controlling interest in the company. The company operated a 5 star hotel in Mauritius.
- A Single Joint Expert report for a matrimonial dispute in relation to the value and liquidity of the respective shareholdings in three group companies operating in the travel sector.
- Valuations of intellectual property assets, including brands and trademarks, for tax and commercial purposes.
- Valuations of management incentives for UK and US tax purposes.
